at the price of an
old fashioned ratchet jack

No. 12
\$ 3.50

No. 14
\$ 2.50

Thirty Inch Handle Folds Compactly

Big Demand—Every one wants a long handle screw jack; here is one at the price of an ordinary ratchet and trigger jack. The Drednaut Long Handle Jack is standard equipment on all Dodge and Durant cars.

Efficiency and Convenience—The Drednaut Jack eliminates stooping under cars. Thirty inch handle folds compactly, taking up no more room in tool box than an ordinary jack.

Strength—The Drednaut has the quality and lifting capacity of jacks which sell for twice as much. All materials used are of the finest quality. The base is unusually broad and firm.

Saves Its Cost—Drednaut Long Handle Screw Jacks are guaranteed unconditionally and indefinitely to give 100% satisfaction. They will pay for themselves through increased convenience.

Low Cost—Get a Drednaut—the type you have always wanted—a long handle screw jack at the price of an ordinary ratchet jack.

No. 12 With Step - \$3.50 No. 14 Without Step - \$2.50
